Project update : November 2026

Dear Neighbours,

In this edition, we provide an update on the next stage of our Trelavour Lithium Project with the planned Development Consent Order due to be submitted soon.

We also share news from recent community and business engagement activities, our support for a local primary school, and how we are helping to support St Dennis Christmas celebrations this year.

For further updates please visit our website, follow our social media channels, or sign up for our e-newsletter at cornishlithium.com

The Cornish Lithium Team

Trelavour Lithium Project application submission

The Development Consent Order (DCO) application for our Trelavour Lithium Project is planned to be submitted this month.

This marks the start of the Acceptance stage, during which the Planning Inspectorate will review our application and decide whether it can proceed to Examination, which can take up to 28 days. If accepted, our application will move into Pre-Examination, when members of the public can register as an Interested Party, and become more involved in the planning process.

Further information can be found in the July Trelavour Community Liaison Group (CLG) Meeting Summary at: cornishlithium.com/trelavour-lithium-project

Environmental surveys have played an important role in establishing the baseline information needed for this application. As the 2026 surveying season comes to a close, we will continue to share relevant updates through future Trelavour CLG meetings, the minutes of which are published on the Trelavour Lithium Project page of our website.

Lord Berkeley visits Trelavour

Rail infrastructure will play a key role in the future of our Trelavour Lithium Project so we were pleased to welcome transport, rail and infrastructure expert, Lord Berkeley OBE to our site. His visit included a tour of our Demonstration Plant and discussions on how existing rail infrastructure could support our future operations.

Pictured (left to right): Cornish Lithium CEO Jamie Airnes, Senior Process Manager David Moseley, Lord Berkeley, Site Supervisor Joshua VanTine and VP Corporate Affairs Mike King.

Supporting St Dennis Primary Academy

Louise Ellis, Senior ESG Coordinator, with Mrs Bailey, Headteacher of St Dennis Primary Academy.

We were delighted to welcome Mrs Bailey, the new Headteacher of St Dennis Primary Academy, for a recent visit to our Trelavour Lithium Project.

Supporting local schools is an important part of our community programme and this visit follows our recent support for the Academy, which includes a £1,000 contribution towards the cost of repairing the assembly hall floor, assisting with the installation of an allergen box in reception, and donating prizes for the Academy's Attendance Arcade initiative.

Brickfield wrap-up

Following two Cornish Lithium-supported brickmaking events in 2026, Brickfield CIC fired the bricks created at these events, along with others from across the community, at a celebration event held in late September.

Brickfield's work helps preserve the unique heritage and traditions of the Clay Country, and we hope everyone who took part enjoyed making and collecting their bricks!

Cornwall Business Show

We are committed to working with Cornish businesses wherever possible throughout the lifecycle of the Trelavour Lithium Project, and recently attended the Cornwall Business Show to meet local suppliers and raise awareness of future opportunities linked to the project.

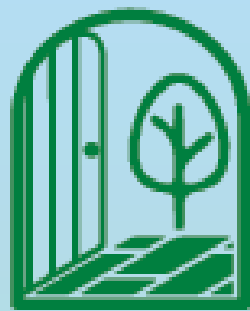

Louise Ellis, Senior ESG Coordinator, with VP Corporate Affairs Mike King at the Cornwall Business Show.

Looking forward to community Christmas celebrations

Looking ahead to the festive season, we are pleased to support a community lantern-making workshop at ClayTAWC on Saturday 14 November, delivered by City of Lights CIC. Book now at: <https://stdennislanterns.eventbrite.com>

Lanterns created at the workshop can then be proudly paraded at the St Dennis Christmas lights switch-on on Saturday 28 November. We are also delighted to be providing gifts for Santa's Grotto and volunteers to help support the event.

Funding Available to Support Children's Education in St Dennis

Could your project help local children learn, grow and thrive?

The St Dennis Educational Trust welcomes applications from individuals and organisations with projects that promote the education and development of children living in the Parish of St Dennis.

In 2025, the Trust (funds come from the Arundel Trust) awarded nearly £11,000 to support a range of inspiring educational initiatives, including:

- Inclusive cooking workshops for young people.
- Engaging workshops for children during school holidays.
- Music activities and ensemble opportunities to raise the profile of music in schools.
- New learning resources for the nursery class, alongside wooden blocks for nursery and reception children.

These projects demonstrate how funding can make a real difference to children's learning experiences, creativity and development within our local community.

Do you have an idea that could make a difference?

If you are an individual or organisation with a project or initiative that could benefit the educational development of children in St Dennis, the Trust would love to hear from you.

Application deadline: 7 November 2026

Don't miss the opportunity to bring your ideas to life and help local children reach their full potential.

To request an application form, please email: stdenniseductrust@gmail.com

We will be making a cone shaped plant support which can be decorated and
kept indoors for Christmas & then used in the garden in the spring

Contribution towards cost of materials - £2 members, £5 non-members

New members and visitors always welcome.

Join us for tea and cake afterwards.

**We meet at 7pm in the WMC function room
(level access from the car park).**

Since our 2026/27 programme started in June we have: improved our recycling with Cornwall Council's Recycling Team; been inspired by Flotsam Flo; been challenged at our quiz evening along with other local WIs; learnt how a Victorian lady dressed herself; and enjoyed a puddings only evening for our harvest celebration.

The second half of our programme is a mix of interesting speakers, enjoyable social events, crafts and outings.

This year we have been busy knitting and crocheting poppies to make garlands for the Church porch to go with our poppy curtain display inside.

We also collected toiletries which were donated to Cornwall Refuge Trust who provide refuge accommodation for women, men and children who have escaped domestic abuse.

SOME UPDATES FROM CLLR DICK COLE

CORNWALL COUNCILLOR FOR ST DENNIS AND ST ENODER

"LONGEST-SERVING LEADER IN THE UK"

For a number of years, it has been quite common for people to introduce me as the longest-serving leader of a political party in the United Kingdom. And I, so often, have had to say that this wasn't quite true, pointing out that I had become the leader of Mebyon Kernow – the Party for Cornwall in 1997, but Arthur Scargill had founded the Socialist Labour Party [SLP] in 1996 and had thereafter remained as leader. That all changed in 2024, when he stood down, leaving me – to the best of my knowledge – as the party leader who has been in post for the longest time.

Local residents may have seen reports that – after a period of 29 years – I stood down as the Leader of MK and that the eleventh leader of the Party for Cornwall is my good friend Michael Bunney. I am extremely proud to have been able to play my part in making the case for greater self-government for Cornwall and a much better deal for communities to the west of the Tamar for all that time.

It recently dawned on me that prior to my time as MK Leader, I was the Press and Campaigns Officer for five years, which means that I have been an office-holder within MK for nearly 80% of his adult life. But that said, the work continues and I will still be at the heart of Mebyon Kernow, campaigning for Cornwall.

STILL A COUNCILLOR FOR ST DENNIS AND ST ENODER

My decision to stand down from the leadership of Mebyon Kernow has been covered in many newspapers, on the radio and, of course, on social media. A number of people have contacted me, thinking that I was also stepping back from being a councillor. I want to assure everyone that is not the case. I will be continuing to serve local people as their elected member and I will also be continuing to serve on a host of local committees such as ClayTAWC.

HIGHWAY WORKS

Since my last report, I am really pleased to see that the resurfacing of the roadway at Domellick Bridge has been completed and this section of road surface is, once again, in a good condition.

POSSIBLE HOUSING DEVELOPMENT OFF CARNE HILL

Along with a large number of local people, I attended the recent "pre-application" consultation for 110 housing units off Carne Hill, which took place on 15th October. There were no detailed plans at the consultation and, in the coming weeks, I will be keeping an eye on this scheme. If anyone has any views they wish to share, please email me.

CHINA CLAY AREA AND LUXULYAN CAP

As the chair of the Clay Country (Community Area Partnership), I have been working on a number of initiatives to benefit the whole of our area. At our most recent meeting on 12th October, we had a presentation about the Mid Cornwall Metro project and I was able to raise concerns about the level of service in the China Clay Area.

"REPORT SOMETHING"

I still report a high number of issues of local concern to Cornwall Council. But if you spot a problem, you can also report it directly to Cornwall Council through their website at: <https://www.cornwall.gov.uk/report-something/>

CONTACT DETAILS

If you need help with anything, I can be contacted on 07791 876607 or cllr.dick.cole@cornwall.gov.uk.

St Dennis Parish Council News

Meetings

Full Council Meetings are held on the first Tuesday of the month at 7.00pm, at ClayTAWC. All members of the community are welcome to observe these meetings and are encouraged to raise community issues or comment on agenda items in the public participation section. Committee meetings are held throughout the year; these are advertised on our website. All agendas are published on our website and in the Parish Council noticeboards.

Remembrance Day Memorial Parade Sunday 8th November 2026

The Remembrance Parade is due to take place during the morning of Sunday 8th November. The parade will start at 10.30am, leaving from the War Memorial outside the Working Men's Club. Lead by St Dennis Band, the parade will make its way up to St Denys Church for the Memorial Service. After the service, the parade will continue to Flanders Field in the Cemetery and St Dennis Academy to lay wreaths. From there the parade will return to the War Memorial for the final laying of wreaths. All residents are invited to join the parade, and we look forward to seeing many representatives across our community come together on this significant day.

Please be aware that there will be road closures throughout the village to facilitate the event. These have been arranged by the Parish Council, which will also manage the closures on the day. We ask residents to be patient and respectful during this time and thank everyone for their cooperation.

Education Bursary Scheme

We are pleased to announce that we have approved costs of over £3,500 to applicants through our Educational Bursary Scheme. If you wish to apply for a bursary, application forms are available from the ClayTAWC building and the Parish Council Office. The Parish Council has an Education Bursary Scheme information desk on ClayTAWC's Hub Days, which are held on the first Wednesday of each month.

Alternatively, you can request an application form by emailing the Parish Clerk at clerk@stdennisparishcouncil.gov.uk. We encourage eligible applicants to apply and take advantage of this opportunity to support their educational goals.

Festival of Christmas Trees 2026

The Parish Council are pleased to have again been invited to take part in the Festival of Christmas Trees. We look forward to joining all the other entries from across the community. Many thanks to St Denys Church for allowing us to participate and for all their time and hard work putting on this spectacular event.

Lantern Parade and Christmas Lights Switch On

This year's event will start at The Working Men's Club with a Christmas party for all ages. Father Christmas has promised to stop by again this year with treats for all the children.

Everyone is then invited to join the Lantern Parade. The parade will travel along the pavement on Robartes Road to Trelavour Prazey, where we will meet St Dennis Band and children from St Dennis Primary School for carol singing. We will also be welcoming the magnificent Bal Maiden, a giant lantern inspired by St Dennis's previous lantern parade and a symbol of our clay mining heritage.

The evening will culminate in the grand switch-on of the community Christmas tree lights. We hope to see everyone, young and old, join us for this free community event.

For more details, check out our website, Facebook page and noticeboards.

Please note that there will be a road closure and diversion in place between 7 pm and 9 pm. The road closure will only affect the bottom of Wellington Road; residents will still have full access to Wellington Road car park.

Anti-social behaviour within the village

There have been ongoing concerns regarding anti-social behaviour within the village, particularly around the Playing Field. Incidents include damage to play equipment and fencing, graffiti around the park, and damage to village benches. These actions affect the appearance of the area, create additional maintenance costs, and can impact the enjoyment and safety of the facilities for other residents and children. Residents are encouraged to report any incidents of vandalism or anti-social behaviour to the relevant authorities so that appropriate action can be taken to help keep the village a safe, clean and welcoming place for everyone.

Small Community Grants Available

Are you part of an organisation involved with something for the benefit of the village? The Parish Council has a small pot of money to assist local organisations. Past beneficiaries have included ClayTAWC, The Pitch, The Working Men's Club, Enniscaven Defibrillators and The Carnival Committee to name a few. If you think we can help you, please apply. You can find the grant application on our website, or you can pop into the St Dennis Parish Council office situated in The ClayTAWC Building to collect an application form.

St Denys Church : November Services

In the news recently I heard of the sad passing of one of the last remaining servicemen from the Second World War. It set me thinking about the importance of Remembrance Day, and how different this looks when so few of the few remain with us. How do we keep Remembrance Day relevant when we have no one still living to share their memories? Some people may argue that it is no longer relevant, but I beg to differ. In both World Wars, men women and children made huge sacrifices to stand up for the right and protect the freedoms that we all take for granted. That sacrifice must never be forgotten. There have also been conflicts and peace keeping operations since then, which have demanded sacrifices from our armed services and their families. They too must be remembered.

One of the most important ways we can honour their sacrifice is by ensuring future generations understand and value their legacy. Our village school is proud to be contributing, with each class making a wreath to lay at the Memorial outside the WMC, while children from across the school will be singing a song to mark Armistice during the Remembrance Day Service.

It is heartening to see that the younger generation is not forgetting. Neither should we.

‘When you go home, tell them of us and say, for your tomorrow, we gave our today.’
